

Your quarterly update from our mission field, as we uphold the sanctity of life and foster a culture of compassion and support.

HELLO *from Melany*

Our recent "birth announcement" was an exciting way to share the news of our purchase of a property that will serve as an upcoming maternity housing program. After 26 years of serving women, children, and families in our community, we can't wait to launch even more options for women that are choosing life during a critical time in their lives.

As we dream big and continue to assess the needs of our clients, we see the ongoing necessity for housing, safety, and education. We want to help break cycles of generational poverty,

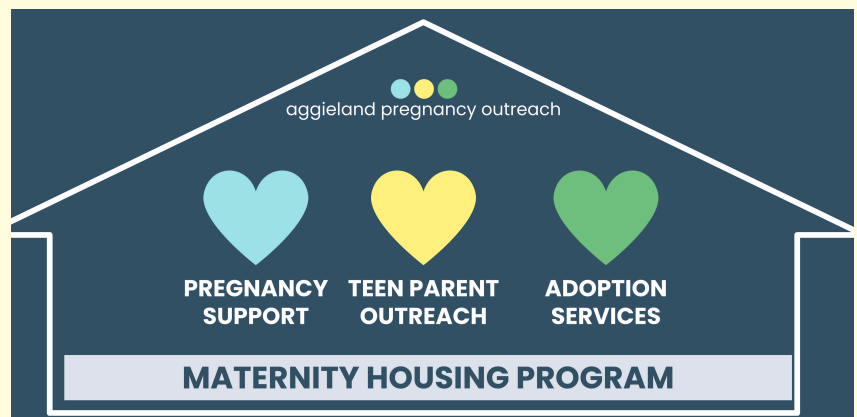

neglect, and trauma that many of them have experienced firsthand. The goal is to empower them with the necessary skills and structure to keep persevering. We have an opportunity to make a lasting impact with your help.

We cannot achieve this goal without the necessary renovations and remodeling to ensure the home is a secure, welcoming haven for these women and their children. The total cost of the home renovations is estimated at \$1 million. Until these crucial upgrades are completed, we cannot open our doors and begin making a difference in the lives of those who need our help the most.

This is why your support matters. Your generous contribution will directly fund the renovations required to open the maternity housing program. Your donation will provide more than just a roof over their heads—it will offer a place where women can find hope, support, and the resources they need to thrive.

HERE'S HOW YOU CAN HELP:

- A donation of \$10,000 can sponsor the renovation of a private bedroom, ensuring a safe and comfortable space for a mother and her baby.
- A donation of \$5,000 can fund the remodeling of a shared living area, creating a warm and inviting space for communal support.
- A donation of \$1,000 can help equip the kitchen with appliances and supplies, providing the means for nutritious meals.

Every contribution, no matter the size, brings us one step closer to opening our doors and making a profound impact in the lives of pregnant women in need. We invite you to partner with us in this transformative project and be a part of a community dedicated to offering hope and support. Please join us as we pursue our new program expected to be in operation in May of 2025.

TEEN PARENTING SUPPORT

Jessica - Teen Parent Caseworker

Congratulations are in order for all of our young parents who have graduated! We are incredibly proud of every Mama Club and Parenting Academy mom for reaching a huge milestone. They worked tirelessly and overcame difficult obstacles to achieve this academic success. Over a dozen teen moms and dads walked across the stage and two young mothers earned certificates in secondary education. Their dedication, focus and resilience is unmatched. Graduation is just the beginning of a new chapter and we are excited to see what the future hold for our young moms and dads.

Now that school is out, we have fun activities planned all summer for our moms and dads. Our new Grab & Go event happens every Tuesday from 4:30pm – 6:00pm at Aggieland Pregnancy Outreach. Here we provide snack, water, diapers, wipes and food boxes. We also like to throw in a special treat from time to time! Once a month during the summer, we also have a field trip for our families. We recently went to Play Oasis and that was a big hit.

Our summer programs allow us to build relationships with our families and make sure they have the resources and support outside of the school year. We love the time we get to connect with our families!
