

MATERNITY HOUSING PROGRAM

THANK YOU FOR JOINING US IN PRAYER!

1

Foyer

Please pray that all who enter the home feel **seen, safe and welcome**. Pray the Lord brings **people** through the door who need us and for staff to be **equipped** to serve all with **compassion** and **wisdom**. Pray for **protection** from harm, anger or resentment throughout the home.

Kitchen

2

Please pray for the **provision** of groceries and supplies. Pray our clients **learn** to prepare **healthy meals** for themselves and their children. Pray for **safety** and **protection** from harm and allergies and that healthy relationships with food are modeled and developed.

3

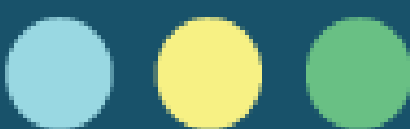

Community Room

Please pray this space yields a warm and loving **community**, whether it's during mealtime, classroom learning or hosting Mama Club. Pray that all are served with **respect** and **generosity**.

Childcare Wing

4

Please pray that this wing is full of **joy** and **promise** for the future. Pray for strong **connections** and for the **protection** and **health** of all children and childcare providers. Pray that children receive a solid **foundation** for learning and development.

5

Resident Rooms

Pray for **wisdom** and **creativity** as we **plan** this space to be easily modified for use. Pray these rooms are a **safe haven** where mothers are proud to live **independently** as they **pursue their goals** and **identified needs**.

Backyard

6

Pray for **friendships** on the playgrounds, splash pad and in the yard. Pray for the children's **protection** and **constant supervision**. Pray that the patio is a **relaxing** and **beautiful** atmosphere for both **solitude** and **community** for mothers.

7

Cottage

Please pray for **wisdom** as we plan this space for classroom learning, storage, and the baby boutique. Pray that the Lord will give us discernment as we choose curriculum and for faithful, generous volunteers from the community. Pray the classroom is used for **hosting** classes and also **studying** while pursuing education.
